

Product Title: RTA-104

Product Description: (R)-Transaminase 104

Catalogue Number: RTA-104

Specification: Appearance: white to off-white powder; Specific Activity > 1 U/mg; (with (R)-MBA/pyruvate as substrates)

Enzyme: Origin: Expressed recombinantly in E. coli; Optimal pH: 8.0 (with (R)-MBA/pyruvate at 30 °C); Cofactor requirement: PLP

Long Description: (R)-selective towards  $\alpha$ -methylbenzylamine (MBA)
